

As we prepare for the forthcoming Year 11 examinations, a comprehensive range of intervention sessions have been planned before and after school. These intervention sessions are timely and well-planned revision sessions. Twilight sessions running after school are compulsory for all Year 11 students until 3.40pm, but will run fully staffed until 5.00pm. Students are strongly encouraged to take advantage of these sessions. Please note, there will be a late provision in place to collect students at 3.40pm, but not at 5.00pm - please ensure suitable arrangements are in place for students to travel home.
