Dear Parents and Carers

Home Communication Q&A Session

Last week we shared with you that our home communication is enhancing. As part of our efforts to continually improve this area, we are launching email summaries via Google Classroom which will be sent home each week. Parents and carers should have already received an email invitation to opt-in to this new system. If you have accepted this, notifications will commence from Friday 9th October in respect of work set for your child(ren).

Further information can be found [here](#), but to support parents and carers who may not be familiar with Google Classroom software, we are hosting two online question and answer sessions on **Thursday 15th October at 10.30am and 5.15pm** via Zoom (<https://zoom.us/>). The sessions will also include a demonstration of how to access and navigate around Google Classroom.

To enable us to provide as much information as possible, we ask that you submit your questions in advance of the meeting via a brief online form [here](#) by **Wednesday 14th October**. Please be aware, the session is not designed for parents to ask questions live, as there will be multiple users and we do not want anyone to miss out or not be heard.

To join the meeting, you will need to click on the link below at the time of the meeting. Please note, you do not need a Zoom account to join:

Should you have any queries or require any further information about our home school communication, please do not hesitate to contact the school via admin.baysgarth@baysgarthschool.co.uk.

We hope to see you next week!

Yours faithfully
