Tuesday 2nd June 2020

Dear Parents and Carers

Inspire Time

As your child prepares to embark on the next year in their learning journey at Baysgarth School, it is an opportunity to introduce you to one of our new initiatives launching in September; Inspire Time. Baysgarth School has consistently produced outstanding exam results over the last five years but we want to add more to your child's secondary school experience by enriching the curriculum we offer. From September, every Wednesday in week B on our school timetable, students in Year 7, 8 and 9 will take part in a ninety minute 'Inspire Time' session. This session will focus on doing something inspiring that will give your child skills or experiences that you would not normally find in the national curriculum. Teachers will be offering sessions in things that they are passionate about, from Sports Leadership to Archaeology, to Model Building and much, much more.

Your child will be able to choose which projects they would prefer to participate in by selecting their choices on a brief online form using the link below. We are asking students to select six projects in order of preference, of which they will get to participate in three across the year:

[CLICK HERE TO COMPLETE THE FORM](#)

Alternatively, you can type the following into your browser address bar to access the form - <https://forms.gle/J13nyf5zC6WxXctw6>

We will do everything we can to give your child their first-choice activities. Please can you complete the form before **Friday 26th June**. If we do not receive the form by **Friday 26th June** we may have to select projects for them.

If you have any questions regarding Inspire Time, please email Christopher.wright@baysgarthschool.co.uk or Tom.ladbury@baysgarthschool.co.uk.

Yours faithfully

Mr C Wright
Associate Assistant Head
