## Competition Report

It was a bitter morning at Baysgarth School but five schools braved the conditions and were prepared for a great morning of running. The new sports leaders were ready to marshal their first ever event and make sure everything would run smoothly as it usually does.

We had over 200 athletes competing this year and all of them put 100% effort in to their performance. It was a really close competition with different schools winning different categories as you can see below:

Y3/4 Girls winning team - Barton St Peter's

Y3/4 Boys winning team - Bowmandale

Y5/6 Girls winning team - Goxhill

Y5/6 Boys winning team - Goxhill

A huge well done to Goxhill Primary who won the 2019 Championship shield for the overall best performing school!

We wish the teams all the best in the District Championships in Scunthorpe in December.
