

CHANGE YOUR FUTURE.

Dear Parents and Carers

National Citizen Service Summer 2019

Next week Scunthorpe United Trust will be visiting Baysgarth School to offer your child an amazing opportunity on National Citizen Service (NCS) during summer 2019.

NCS has become the country's fastest growing youth movement with over 500,000 graduates to date. The once in a lifetime opportunity is a four-week programme that helps young people build their confidence and gain new skills while having fun and giving back to their community – the best possible springboard for their future. Whether their sights are set on university, apprenticeships or getting straight into the working world, signing up to NCS is one of the best decisions a teenager can make. Scunthorpe United Trust are a local charity that have been running the programme for six years and delivered NCS to over 470 young people in 2018 across North Lincolnshire.

NCS is a government funded programme meaning that your child will receive £1500 worth of activities for a cost of no more than **£50**. Even better, if you return the completed application to school or sign up online within a week of our assembly then your child will get a place for a discounted rate of only **£35***.

*Bursaries are also available on a case by case basis and support is provided for young people with additional needs.

But don't just take our word for it...

"It has engaged my daughter for four weeks - no mean feat for a teenager. Lots of new experiences. Made lots of friends. She loved the leaders and thought they were supportive and fun. Loved that she raised money for a really good cause. Really impressed with the organisation." - Parent feedback, 2017

"NCS was amazing! Everyone was so friendly and the activities were amazing, everyone was constantly involved and encouraging each other to push past fears and try everything" - NCS Graduate, 2018
