

Parent Governor Election Ballot 2020

PERSONAL STATEMENTS

MR ANDREW HALL

I am a through and through Bartonian, born and bred in Barton. I currently have two children attending Baysgarth, with a third due to join in September 2021. I'm a business owner within the town and I also own a business in Hull. Both businesses have great staff, which leaves me large amounts of free time which I fill with hobbies (fishing) and family. A new challenge would be great for me and if that could be something that could help my children too, that would make it perfect. I'm a successful, confident person and good at problem solving. I think as a Parent Governor I could help the school to the best of my abilities.

MISS LISA MARTIN

I have just started a Teaching Assistant course; doing this will hopefully help me have a good understanding on the way schools work and the support needed to each individual child. I have a daughter at the school with a disability and would like to help or give any advice to others. I have attended many school meetings at my daughter's previous school, such as Early Help meetings.
