Dear Parents and Carers

Parents' Forum: Curriculum

Working in partnership with parents is one of our key priorities. We believe through strong partnerships and mutual understanding we can ensure your child receives an outstanding education at Baysgarth. Parent Forum meetings offer an informal approach to gathering parents' views on some key aspects of the school's work.

The next Parent's Forum of this year will take place on Tuesday 4th December 2018 from 6pm to 7pm in the Main Hall. The session will be focused on '**Curriculum**' and is aimed at parents of all year groups.

Book your place today via www.baysgarth.parentseveningsystem.co.uk!

Please note, dates of future events can be found on our website - www.baysgarthschool.co.uk.

We hope to see you there!

Yours faithfully

Mr R Briggs
