

Wednesday 8th May 2019
Our Ref: SBO/FSC0305TRI

Dear Parents and Carers,

Road Safety Week

Over the last few months we have been working closely with WREN regarding road safety in Barton. As a result of these discussions, WREN have kindly agreed to hold a Road Safety event in partnership with the school, running for one week, from Monday 13th to Friday 17th May 2019, for all Year 8 students.

All students will visit the WREN site in groups of 12 over the week and will take part in the following activities:

- A truck and pedestrian demonstration, including artic and trailer blind spot demonstration, particularly from a cab drivers eye view, 18ft tail lift demonstration and camera awareness and a 7.5t mount and demount demonstration
- A factory tour
- A film and talk regarding WREN careers

We hope that all students will be allowed to take part in this exciting and informative opportunity.

We are obliged to complete a risk assessment for every trip. We can assure you that this trip has been risk assessed by the party leader.

If you would like your child to take part in this exciting and informative opportunity, we would be grateful if you would please complete a brief online consent form using the following link <https://forms.gle/6YCy9TvjZcgVFFgr5> by **Friday 10th May**.

If you require any further information, please do not hesitate to contact me at the school.

Yours faithfully

S. Borthwick
