# North Lincolnshire's **SEND** (Special Educational Needs and Disability) **Local Offer**

## What is the SEND Local Offer?

### The Local Offer:

- Gives information about education, health and care services in North Lincolnshire
- Provides information about leisure activities and support groups
- Holds the information in one place
- Is clear, comprehensive and accessible
- Makes service provision more responsive to local needs and aspirations
- Is co-produced with young people, families and providers

### Who is it for?

#### The Local Offer is for:

- Children and young people with special educational needs and / or disabilities (SEND) from 0-25 years
- Their parents and carers
- Practitioners and professionals

### How will it help me?

#### The Local Offer will:

- Make it easier to find out what you need to know
- Help you be less dependent on other people
- Help you find the nearest and most suitable services
- Help you ask the right questions

### What makes the Local Offer different?

#### The Local Offer is not just a directory or list of services. It:

- Helps you identify suitable support
- Helps inform decisions about resources needed
- Gives transparent information about decision making, access and eligibility for services
- Is organic and responsive to your needs

## How do I get involved?

**If you are a parent or carer** - find out about what is available by:

- Visiting our Local Offer website [www.northlincslocaloffer.com](http://www.northlincslocaloffer.com)
- Viewing your education provider's SEND information report (published on their website) or by talking to your SENCO.

**If you are a child or young person** - you can also get involved by:

- Talking to your education provider
- Viewing their website
- Viewing our local offer website [www.northlincslocaloffer.com](http://www.northlincslocaloffer.com)

If you are an education provider - you must publish a SEND information report and gather the views of children and young people, their parents and carers.
