Sarah Clayton
M.A and B.A Psychology
Therapeutic Support
Worker

Qualified Therapeutic Support Worker Sarah offers a range of one to one support and workshops through;

- 🌐 **Mindfulness-based workshops** and individually tailored one-to-one sessions, the child and young person will develop an awareness of easy to learn mindfulness based techniques, such as mindful breathing, muscle relaxation and mindful walking.
- 🌐 **Music workshops**, Sarah will use her guitar and voice to lead the workshop, whilst various musical instruments will be made available for the child and young person to join in, or write their own songs.
- 🌐 **Art workshops**, materials such as paints and crafts will be made available for children and young people to create work that is based on self-expression or relaxation

These workshops and one-to-one sessions will enable the child and young person to develop their communication and social skills through an activity
