

Y5/6 Football Tournament

Thursday 8th November 2018

Participating Schools

Bowmandale Primary
Wootton Primary

Competition Report

This year's tournament was a smaller one with only two schools taking part. It was a chilly afternoon at Baysgarth School, however the Y5 and Y6 students didn't let the weather put them off. There were 5 teams across the two schools who fought hard to make sure they were crowned the 2018 champions.

Wootton Primary showed some exceptional performances, especially to say this was the first time some of the students had ever played football. The overall winners from the tournament were the Bowmandale 2 team.

A huge well done needs to be acknowledged to the Baysgarth Sports Leaders, as for some of them, this was their debut event!
