Dear Parents and Carers

Year 11 Half Term Intervention

As we are now in full swing of the GCSE exam season, we have planned a range of intervention sessions throughout the half term break. Some sessions are open to the full Year 11 cohort, with others inviting specific classes. We strongly recommend students take advantage of these revision and exam preparation sessions at such a crucial time, to support them to achieve their full potential over the coming weeks.

These intervention sessions are well-planned revision based sessions, ran by dedicated Baysgarth teaching staff. During these sessions, subject teachers will offer high quality teaching and learning to those who wish to attend.

It is important to note that the success of any intervention provided is dependent upon the engagement and motivation of the students who attend. Please encourage your child to take advantage of all sessions relevant to them in order to achieve the highest possible grades. It is also worth stressing that these sessions should support independent learning at home, and should not be as a replacement for revision.

A summary of the intervention sessions is enclosed – please read this carefully to ensure your child attends all appropriate sessions.

Should you have any concerns or queries regarding any of the sessions planned over the half term break, please do not hesitate to contact me at the school or via email at andrew.north@baysgarthschool.co.uk.

Yours faithfully

Mr A North
Assistant Head Teacher
